

Year 4 Spring Term 2019 Newsletter

This letter explains what your child will be learning during this term and how you may be able to help them at home.

Topics taught in Year 4 are planned to meet the subject guidance of the new National Curriculum.

This term, our learning is based around the big question

“Who are The Royals?”

The children will be working across the curriculum to learn how the monarchy has impacted on Britain over thousands of years. We will begin with our present day Queen Elizabeth and work back through time learning about many great characters and events.

Our visit during this topic will be later in the term where we will experience the amazing and historic Warwick Castle.

We will work towards our creative outcome where the children will present to you an exhibition of their work.

How you can help!

Please hear your child read their reading book at least once a week and sign their reading record.

Make sure your child completes their homework and returns it on time. Homework books and sheets will be given out next week and the children can choose which activity to do first. The dates for handing in this term's homework will be on the sheet. If there are any problems, then please ask.

Spelling Tests will be on a Monday so please ensure your child practises these at home. Please ensure your child has their full PE kit in school now. This includes green shorts, a white top and black pumps or trainers. These will be sent home every half term for washing and to check their size.
